

Dear Luigi

Firstly please accept my apologies for not responding to your email sooner - I have been away on business and also ill with the flu - so I hope my delay has not caused any anxiety.

Your story is really interesting and one which I and my colleagues had not heard before - so thank you for contacting me as Chairman of Wednesdayite. Of course we would be delighted to meet and welcome you to Sheffield!

Perhaps you could kindly advise me how many will be in your party and also what you already have planned? If you are free, we would be delighted to welcome you before and after the match to our Lounge at the Hillsborough Club on Bradfield Road where our members meet before matches. If you let me know, we can meet at the ground and then walk the 5 minutes to the Lounge as it is off-site.

Also, it would be great if you could let me know the names, addresses, email addresses and dates of birth of your colleagues who will come to Sheffield as I would like to offer them all free membership of Wednesdayite - which entitle you all to a range of benefits - not least, newsletters. We would be keen to take pictures of your visit and include them and a story in our next newsletter which is distributed to over 4000 fans.

I would also be keen to explore how we might 'twin' formally going forward in the future to bring our organisations closer together.

I look forward to hearing from you and very much hope we can meet (as well as have a great victory against 'the other team!').

In any event, I wish you and your colleagues a safe journey and a wonderful trip to Sheffield.

Up the Owls! Up Saronno!

Best wishes
